29 NO SCHOOL	30 NO SCHOOL	31 NO SCHOOL NEW YEARS EVE		

Dear Parents & Community Members,

The Collins-Maxwell Elementary students have decided on their community service project for this year. They will be taking part in the Leukemia & Lymphoma Society's "Pennies for Patients". During a two week period from December 1st through December 12th, the students will be collecting spare change to support LLS's mission: To cure Leukemia, Lymphoma, Hodgkin's Disease and Myeloma. Each student will receive his or her own box for collecting spare change. The change could be found anywhere. Under couch cushions, pants pockets and jackets hanging in the closet. We have the power to convert this change into funding for treatments and cures. Thank you and your child in advance for helping patients with blood concerns live longer, better lives.

~Joe Neville, Elementary Counselor
